Children's Ministry News

In John 4:43-54, a government official comes to Jesus, pleading for Jesus to heal his son, who is dying. Without even going to see the son, Jesus heals him just by speaking. As the father travels home, a servant meets him to tell him that his son is alive and well. Jesus is amazing, so we believe in him.

Sermon Title: Solomon’s Wives

Scripture: 1 Kings 11: 1-4

King Solomon, however, loved many foreign women besides Pharaoh’s daughter—Moabites, Ammonites, Edomites, Sidonians and Hittites. They were from nations about which the Lord had told the Israelites, “You must not intermarry with them, because they will surely turn your hearts after their gods.” Nevertheless, Solomon held fast to them in love. He had seven hundred wives of royal birth and three hundred concubines, and his wives led him astray. As Solomon grew old, his wives turned his heart after other gods, and his heart was not fully devoted to the Lord his God, as the heart of David his father had been.
