## **June Sunday AM Adult Bible Classes**

**Curt Niccum** – auditorium – ***“The Dead Sea Scrolls and the Bible”***

The greatest archaeological discovery of the twentieth century has had a significant impact on our knowledge of the Bible. It advanced our knowledge of the Old Testament text about 1,000 years. More importantly, it has provided much needed background material for understanding the New Testament.

**Brady Horner** – fellowship hall – ***“Dysfunctional Families of the Bible”***

It could just as easily be called “Families of the Bible” since Bible families have sin and brokenness that create some levels of dysfunction, just like our own. We will explore dynamics in families like sibling rivalry, favoritism, marital strife, and rebellious kids. We hope to gain a better understanding of scripture, hear and share wisdom from our own family experiences, and to learn to navigate our own family dysfunction in healthy God-honoring ways.

## **Ladies Night This Tuesday**

Attention Westgate ladies! Let's get together **Tuesday night at 6 p.m.** for a Ladies Night! Dinner will be provided. Meet in the fellowship hall for a fun time of food, fellowship, and stress relief.
